Toms River Emergency Services donates to Ocean of Love Billboard Radiothon

Radio station 105.7 The Hawk, will be having its annual Billboard Radiothon fundraiser for Ocean of Love October 19- 23, 2015 at the Target & Lowes Shopping center. On Thursday, October 22, members of Toms River Police Department will be there with their Dunk Tank between 2 pm and 8 pm accepting donations for chances of dunking an officer. Chief of Police, Mitchell Little, will be present and will take a turn on the platform of the dunk tank from 4 pm to 5pm.

Toms River Fire Departments and Toms River Emergency Medical Services will converge on the billboard at 8:00 pm to make donations. Last year the donation was escorted by a procession of Fire Apparatus with lights flashing and sirens sounding. One of the department's ladder trucks raised their ladder and a firefighter climbed the ladder to hand the donation over to the DJ atop the Billboard. The donation will be made in a similar fashion this year.

The media and the public are reminded that criminal charges are accusations only. Every criminal defendant is presumed innocent unless and until proven guilty in court.
